Newsletter 27th September 2016

Dear Parents and Carers,

The term is well underway and there are a number of events already in our calendar. The children are making really good use of the newly refurbished classroom and are very enthusiastic about earning their house points.

I wanted the opportunity to update you on a couple of other matters;

Open Morning

We are holding an open morning for Reception and Key Stage 1 on Thursday 6th October between 9.00 a.m. and 11.00 a.m. This is an opportunity for parents to spend some time in school to see how their children work and learn and to look at the resources used in school. Mrs King and Mrs Stewart will be running their usual sessions so you will have the chance to see learning in action!

Refreshments will be available so please join us and take the chance to be a part of your child's learning in school.

This is also a chance for any parents with pre school children to come and see what Norwell C of E Primary has to offer so if you are aware of any parents with young children could you please pass on the attached flier and encourage them to visit us.

Collecting Children

Can we please ask that parents and carers inform the school of any changes to the usual arrangements around collecting children at the end of the day. We are happy to ensure that children leave with friends or family as long as we are notified in advance.

Some of our Year 6 children walk home rather than being collected but we need this request in writing and clarification around arrangements for them once they get home. This is also the case when older siblings collect children in key Stage 2. If you need these arrangements for your child please contact us at school.

Best Wishes,

Diane
