- ♦ w/c 6th June Yr1 Phonics Screening
- ♦ Tue 12th July Kite Federation Joint Sports Day at St. Matthews.
- ♦ Mon 24th July—Leavers Services and Last Day of Term.

Dear Parents and carers,

We have once again had a very busy and successful term. Our two Easter services reminded us of the significance of this time of year while we are all amazed by the signs of new life in our villages. I still feel excited when I see my first lamb in a field!

From all the staff and governors, we would like to wish you and your families a restful and peaceful Easter over the next two weeks.

Best wishes

Kathryn King

OUR FEDERATION VISION

Together we will flourish and thrive building on our Christian and local community, for the good of all.

Those who trust in the Lord will find new strength.

They will soar high on wings like eagles.

Isaiah 40v.31

Easter Services

St. Matthews

The children at St Matthew's led a lovely Easter Service in Church. They presented prayers, readings and songs, as well as contributing a flower to the Easter Garden. Thank you to Rodger and Carol for making this for us.

Norwell

We were all so disappointed that we were unable to hold our Easter service in church this year, but with a couple of coronavirus cases within our school community it felt sensible to remain at school in our class bubbles and avoid congregating together.

The children had all worked so hard preparing their pieces for the service so as we have done in previous years we reverted to holding a virtual service in our classrooms.

In addition to singing some uplifting Easter Songs together, The Navigators beautifully recited an Easter Poem (all learning their lines brilliantly), the Huckleberries sang a lovely version of 'Old MacDonald's Easter Farm', and the Innovators told the Easter story through a drama entitled 'Hot Cross Buns and Easter Eggs.'

All Key Stage 2 Children from across the federation had a fabulous time at the 'Eureka' Children's Science Museum.

They enjoyed all of the interactive displays and activities which supported their science work back in school .

Congratulations to all our Year 5 Pupils from both schools who successfully completing their Level 1 NICAS Indoor Climbing award.

To achieve this they had to learn to climb confidently, show they could tie ropes safely and belay for each other to enable their classmates to climb in safety.

It was amazing to see people step out of their comfort zones and grow in confidence as the course progressed.

Key Stage 1

Yorkshire

Wildlife Park.

After learning about Kenya in school, the children enjoyed a fantastic day at the Yorkshire Wildlife Park.

We explored the whole park but particularly enjoyed the 'Into Africa' area, where we saw lions, tigers, giraffes, rhinos and much more!

Time Travelling at Southwell Minster

Key Stage 2 Pupils from both schools had a fantastic day at Southwell Minster as part of their 'Time-Travelling' education week.

The children took part in a number of activities to learn more about the Minster, its importance to Christians and roles throughout history.

They learned songs from the choir, to later sing with all the schools in attendance, and looked at the various stained glass windows (including one depicting the events of the First World War).

Many children were fascinated learning about the work of Christian Aid, and the value of water, while also getting the opportunity to make 'PASTA' bracelets to help them focus their thoughts while praying.

WORLD
BOOK
DAY®

The Children looked amazing on World Book Day, many in fantastic home made costumes !!

Can you find our very own 'Where's Wally' hidden somewhere in this newsletter?
